

Two silhouette miniatures showing **Hester Louisa Tucker** (1786-1817) of Bermuda, who was the inspiration for the Irish poet Tom Moore's *Odes to Nea*. Her great-great-granddaughter, the mountaineer Nea Everilda Morin (née Barnard) (1905-1986) was named in her honour.

The miniatures were found in the clearance of the house of Nea Morin's son Ian Morin (1935-2023) and were sold at auction by Walter Lloyd Jones Salreoom of Barmouth on 27 March 2023 (part of lot 300).
